Grants

for thesis or training activities in NON-EU Countries for UNICAM students

Partner Countries - a.a. 2023/2024

Call for grants of 3 months length for UNICAM students enrolled in Bachelor Degrees Courses, Master Degrees Courses, One-tier Master Degrees Courses and PhD Courses. The grants are aimed to carry out abroad the thesis, internship or research (only for PhD students) activities in extra-EU Countries. The activities must be carried out in Universities, Higher Education Institutions or highly qualified professional offices. If the student chooses, as destination for the mobility period, one of the Institutions listed in Annex A of the call, the student will receive an additional score. The amount of the grant will be calculated according to destination Country and ISEE (art. 8 of the Call).
