Commitment	Name	Email	Position	Date	Signature
Student			Student		
Supervisor at the Beneficiary/Sending Institution for the Interinstitutional Agreement between Unicam and the Receiving Institution			Agreement Supervisor		
Student's Supervisor			Tutor		
Delegate for Internationalization of the study course (only for II cycle's students)			Delegate for Internationalization		

<sup>1</sup> **Nationality:** Country to which the person belongs administratively and that issues the ID card and/or passport.

<sup>2</sup> **Study cycle:** Short cycle (EQF level 5) / Bachelor or equivalent first cycle (EQF level 6) / Master or equivalent second cycle (EQF level 7) / Doctorate or equivalent third cycle (EQF level 8).

<sup>3</sup> **Field of education:** The [ISCED-F 2013 search tool](http://ec.europa.eu/education/tools/isced-f_en.htm) available at [http://ec.europa.eu/education/tools/isced-f\\_en.htm](http://ec.europa.eu/education/tools/isced-f_en.htm) should be used to find the ISCED 2013 detailed field of education and training that is closest to the subject of the degree to be awarded to the trainee by the sending institution.

<sup>4</sup> **Erasmus code:** a unique identifier that every higher education institution that has been awarded with the Erasmus Charter for Higher Education (ECHE) receives. It is only applicable to higher education institutions located in EU Member States and third countries associated to the programme.

<sup>5</sup> **Contact person at the Sending Institution:** a person who provides a link for administrative information and who, depending on the structure of the higher education institution, may be the departmental coordinator or will work at the international relations office or equivalent body within the institution.

<sup>6</sup> **Contact person at the Receiving Organisation:** a person who can provide administrative information within the framework of Erasmus+.

<sup>7</sup> **Traineeship in digital skills:** any traineeship where trainees receive training and practice in at least one or more of the following activities: digital marketing (e.g. social media management, web analytics); digital graphical, mechanical or architectural design; development of apps, software, scripts, or websites; installation, maintenance and management of IT systems and networks; cybersecurity; data analytics, mining and visualisation; programming and training of robots and artificial intelligence applications. Generic customer support, order fulfilment, data entry or office tasks are not considered in this category.
