

Prot. 40492 10.06.2024

Subject: Selection procedure for the conferral of 1 (one) research collaboration grant within the scope of the SYMPATHRY project (PNRR), for the School of Sciences and Technology - Academic Discipline: VET/06 “Parasitology and Parasitic Diseases of Animals”, Project Title: *Decrypting the symbionts-vector-pathogens trilogy: new efficient tools for monitoring and control*” Research Tutor: Prof. Guido Favia - CALL / NOTICE OF SELECTION PROCEDURE

THE RECTOR

HAVING REGARD TO Law No. 240 of 30 December 2010, in particular Art. 22 containing provisions regarding “Research Grants”, in force until 29 June 2022;

HAVING REGARD TO Decree-Law No. 36 of 30 April 2022, converted with amendments by Law No. 79 of 29 June 2022, published in the Official Gazette – General Series - No. 150 of 29 June 2022, which entered into force on 30 June 2022, containing further urgent measures for the implementation of the National Recovery and Resilience Plan (Italian acronym: PNRR), which in art. 14, paragraph 6-septies introduces research contracts, which will replace research grants, specifying in the following paragraph 6-quaterdecies that it will be possible to continue to launch procedures for the awarding of research grants limited to the resources already programmed or approved by the respective governing bodies until 31 December 2022;

HAVING REGARD TO Decree-Law No. 215 of 30 December 2023 (the so-called “Milleproroghe” [one-thousand extensions] decree 2022), converted with amendments by Law No. 18 of 23 February 2024, published in the Official Gazette - General Series – No. 49 of 28 February 2024, which in art. 6, paragraph 1, letter a) modifies the deadline established by law No. 79 of 29 June 2022 to announce the selective procedures for research grants, extending it to 31 July 2024;

HAVING REGARD TO recent Decree-Law No. 71 of 31 May 2024, which in article 15 further modifies the deadline set by Law No. 79 of 29 June 2022, to announce selective procedures for research grants, further extending it to 31 December 2024;

HAVING ACKNOWLEDGED that, to date, the University of Camerino has never issued procedures for the award of research contracts;

WITH REFERENCE TO the Regulation still in force on the Conferral of Research Grants, issued with Rector’s Decree No. 6408 of 07 February 2020;

HAVING REGARD TO Ministerial Decree of 9 March 2011, pursuant to Art. 22 of Law No. 240/2010, which established that the minimum amount to be attributed to the holders of research

collaboration grants is € 19,367.00;

HAVING REGARD TO Ministerial Decrees of 26 February 1999 and of 04 May 1999, respectively concerning identification and reclassification of academic disciplines in university studies, subsequently amended by Ministerial Decree of 04 October 2000;

HAVING REGARD TO Law No. 241 of 7 August 1990 and subsequent amendments and additions, containing rules on administrative procedure and the right of access to administrative documents, in compliance with the principles of legality, economy, effectiveness, impartiality and transparency;

HAVING REGARD TO Presidential Decree No. 445 of 28 December 2000, and subsequent amendments, providing for the so-called “Consolidated Act on legislative and regulatory provisions with reference to administrative documentation”;

HAVING REGARD TO Legislative Decree No. 33 of 14 March 2013, as amended by Legislative Decree No. 97 of 25 May 2016, providing for “Reorganisation of the regulation concerning the right of civic access and the obligations of publicity, transparency and dissemination of information by Public Administrations”;

HAVING REGARD TO the University of Camerino signing the declaration of commitment to adopt the European Charter for Researchers and of the Code of Conduct for the Recruitment of Researchers, in July 2005;

WITH REFERENCE TO the Code of Ethical Conduct of the University of Camerino, issued with Rector’s Decree, No. 16 of 3 February 2015, and then recently modified with Rector’s Decree No. 123/2023 Prot. No. 27774 of 19 April 2023;

WITH REFERENCE TO the 2023-2025 Integrated Plan of Activities and Organisation (Italian acronym: PIAO), adopted by the Board of Directors at its meeting on 31 January 2024), containing the measures adopted for the prevention of corruption, as indicated by Law No. 190 of 6 November 2012;

WITH REFERENCE TO the Gender Equality Plan 2022-2024, under which the University of Camerino guarantees equality and equal opportunities for men and women as regards access to employment and related conditions, including overcoming territorial gaps;

HAVING REGARD TO Law No. 127 of 15 May 1997, in particular article 3 paragraph 7, which provides a preference in favour of the youngest candidate as a preferential element in the recruitment of staff in the event of a tie in scores;

WITH REFERENCE TO EU Regulation 2021/241, in particular the articles. 5 and 9, in reference to compliance with transversal principles;

HAVING REGARD TO the National Recovery and Resilience Plan (hereinafter “PNRR”), officially presented to the European Commission on 30 April 2021, pursuant to Art. 18 of Regulation (EU) No. 2021/241, positively assessed with Decision of the ECOFIN Council of 13 July 2021 and notified to Italy by the General Secretariat of the Council with note LT161/21 of 14 July 2021;

HAVING REGARD TO the Decree of the President of the Council of Ministers of 9 July 2021, identifying the central administration bodies responsible for interventions envisaged in the PNRR;

CONSIDERING that the Ministry of University and Research is assigned resources for the implementation of the PNRR interventions within the scope of Mission 4 - Component 2 “From research to business” (hereinafter “M4C2”), for a total of €11.44 billion;

ACKNOWLEDGING that investment 1.3 of the M4C2 provides for the creation of “Partnerships extended to universities, research centres and companies for the financing of basic research projects”, aimed at strengthening research supply chains at national level and promoting their participation in European and global strategic value chains;

HAVING REGARD TO Directorial Decree of the Ministry of University and Research No. 341 of 15 March 2022, with which the “Public notice for the creation of partnerships extended to universities, research centre and companies for the financing of basic research projects” was issued, to be financed within the PNRR, M4C2 - Investment 1.3 “Creation of partnerships extended to universities, research centres and companies for the financing of basic research projects”, financed by the European Union - NextGenerationEU;

HAVING REGARD TO Directorial Decree of the Ministry of University and Research No. 1554 of 11 October 2022, with which the research program entitled: “One Health Basic and Translational Research Actions addressing Unmet Needs on Emerging Infectious Diseases (INF-ACT)” was approved, as well as its implementation in which the University of Padua plays the role of Spoke 2;

ACKNOWLEDGING that, pursuant to Art. 5 (Cascade calls) of the Notice of the Ministry of University and Research No. 341 of 15 March 2022, the University of Padua, as Spoke 2, in compliance with the provisions on state aid, has issued the public notice for the selection of project proposals, aimed at granting funding for activities consistent with the topic “The microbiota and pathobiota of insect vectors of emerging infections: implications for pathogen transmission, adaptation to the environment and insect control” - COC-1-2023- UNIPD, pursuant to the PNRR, Mission 4, Component 2, Investment 1.3;

ACKNOWLEDGING that on 13 November 2023 the University of Camerino sent the application for participation in the cascade call COC-1-2023-UNIPD (Prot. No. 79460) via certified e-mail, presenting the project proposal entitled “Decrypting the symbionts-vectors-pathogens trilogy: new efficient tools for monitoring and control – SYMPATHRY – project identification code S2.P001”;

HAVING REGARD TO the Decree of the Director General of the University of Padua No. 193/2024 Prot. No. 11937 of 22 January 2024 approving the documents of the evaluation procedure of the Evaluation Commission on the projects presented in response to the cascade call COC-1-2023-

UNIPD, with which the financing was admitted, with a public ranking on the website <https://protocollo.unipd.it/albo/viewer>, of the project entitled: DECRYPTING THE SYMBIONTS-VECTORS-PATHOGENS TRILOGY: NEW EFFICIENT TOOLS FOR MONITORING AND CONTROL, Acr. SYMPATHRY, marked with the identification code S2.P001, with the relevant attachments;

ACKNOWLEDGING that on 6 March 2024, the University of Padua communicated via certified e-mail the approval of the final ranking and the attribution of the funding to the project proposal presented by the University of Camerino entitled: “Decrypting the symbionts-vectors-pathogens trilogy: new efficient tools for monitoring and control – acronym SYMPATHRY – project identification code S2.P001”

WITH REFERENCE TO the resolution of the Board of the School of Sciences and Technology No. 156 of 10 April 2024, relating to the request for activation of 1 (one) research grant within the SYMPATHRY Project, for the School of Biosciences and Veterinary Medicine, Academic Discipline: VET/06 “Parasitology and Parasitic Diseases of Animals”, project title: “*Decrypting the symbionts-vector-pathogens trilogy: new efficient tools for monitoring and control*” Research Tutor: Prof. Guido Favia;

WITH REFERENCE TO the resolutions of the Board of Directors and the Academic Senate, relating to their meetings of 23 April 2024, with which the activation of the aforementioned selection procedure, among others, was approved;

ASCERTAINED the financial availability for the awarding of this 14-month research grant, also all-inclusive of the charges borne by the Institution, equal to €28,000.00, which will be borne by the “SYMPATHRY Project”, falling within the scope of the PNRR - Mission 4 - Component 2 - Investment 1.3 – Unique Project Code: C93C22005170007;

DECREES

Art. 1 Subject

The public selection procedure, based on qualifications and an interview, for conferral of **1 (one) 14-month research grant** for the carrying out of research activities at the school and for the research project indicated below, is now open:

Research (CUN) Area: 07 – Agricultural and Veterinary Sciences

Academic Discipline: VET/06 “Parasitology and Parasitic Diseases of Animals”;

Research Project Title: *Decrypting the symbionts-vector-pathogens trilogy: new efficient tools for monitoring and control”*

Activities to be carried out: The purpose of this grant is to deepen the understanding of the role of microbiota-vector interactions in phenomena related to environmental adaptation, resistance to insecticides and the vectorial capacity of mosquitoes and sandflies, vectors of various pathogenic viruses (Dengue, Chikungunya, Zika , Japanese Encephalitis virus, West Nile virus, Sindbis and Usutu, and others). The current increase in temperature, the frequency of extreme weather events and urbanization are favouring the expansion of invasive mosquito species, including *Ae. albopictus*, *Ae. koreicus* and *Ae. japonicus*. Resistance to synthetic pyrethroids has been reported in *Ae. albopictus* throughout Europe.

Duration of the grant: 14 months (with possibility of extension);

Cost of the grant: €22,690.00 (gross amount to be paid to the grant holder);

Research Tutor: Prof. Guido Favia

Place of carrying out the research activity: School of Biosciences and Veterinary Medicine, Matelica (MC)

Admission requirements and qualifications: Masters’ Degree (or equivalent) in the field of Biology;

Qualifications valid for evaluation: Specialisation courses, periods of research activity abroad, scientific publications on the research topic of the project;

Good knowledge of English language is required.

Procedure method: Based on qualifications and an interview.

Art. 2

Requirements for participation in the selection procedure

The following shall be admitted to the selection procedure for the conferral of research grants:

- Candidates in possession of a Master’s/Specialist Degree or Old-System Degree, or equivalent foreign qualification in the degree class indicated in Article 1 of the Call, or in similar study topics, according to each grants covered by the Call;

- Candidates having a scientific-professional curriculum suitable for carrying out the research activity.

The aforementioned admission requirements must be met on the expiry date of this call for applications, under penalty of exclusion.

Foreign citizens must be in possession of a degree equivalent to those previously mentioned. Equivalence must be certified by competent authorities.

Research grants shall not be awarded to permanent staff members at universities, public research and experimentation agencies and institutions, the Italian National Agency for New Technologies, Energy and Sustainable Development (ENEA), the Italian Aerospace Agency (ASI), as well as at the institutions conferring scientific specialisation degrees recognised as equivalent to a PhD degree pursuant to Art. 74, paragraph 4 of Presidential Decree. No. 382 of 11 July 1980.

Candidates excluded from the active political electorate shall not be admitted to the selection procedure.

Foreign citizens must also meet the following requirements:

- a) enjoying full civil and political rights in the Country of origin or provenance;
- b) meeting all the requirements necessary for the Italian citizens, except for the Italian citizenship,
- c) having adequate knowledge of the Italian language.

Pursuant to Art. 18, paragraph 1, letters b) and c) of the Law No. 240/2010 and Art. 1, paragraph 3 of the Regulations, candidates having a degree of kinship or affinity, up to and including the fourth degree, with a Professor working at the School publishing the proposal for the activation of the contract, or with the Rector, Director-General, or a member of the University's Board of Governors, shall not be admitted to the selection procedure.

Furthermore, candidates who have already been awarded research grants by any institution, pursuant to Law No. 240/2010, for a period exceeding 6 years when summed up with the duration of this grant, shall not be admitted to this selection procedure. If the grant has been awarded during a PhD programme without a scholarship and up to the legal duration of the course, that period is not counted.

Furthermore, candidates who have held contracts as research fellows or fixed-term researchers, pursuant to Articles 22 and 24 of Law No. 240/2010, with the University of Camerino or any other Italian university, government, non-government or online, or with institutions described in Art. 22, paragraph 22 of Law No. 240/2010, for a period exceeding 12 years, when summed up with the duration of this grant, even if not continuous, shall not be admitted to this selection procedure.

Periods spent on maternity leave or sick leave, according to the current legislation, shall not be taken into account for the purposes of the duration of the aforementioned work relationships.

The Administration may order, at any time, with a motivated provision, the exclusion from the selection procedure due to lack of the prescribed requisites.

Application and presentation deadline

The application and the related attachments must be submitted exclusively through the computer application system adopted, available at the link indicated on the webpage on which the Notice of the Selectin Procedure was published.

For the online submission of the application, candidates must have an ordinary e-mail address (not certified e-mail), for the purposes of registering with the system. Registration must be done at the time of first access.

Please note that the e-mail address indicated by the candidate during registration will be used by this Administration for all subsequent communications relating to the selectin procedure in question.

All information needed for the correct completion and submission of the application is available in the “*Guide to completing the online application*”, published on the application form home page.

The application must be submitted exclusively through the online procedure indicated in the Notice, containing the following wording:

“Application for participation in the Selection procedure for the conferral one (1) research grant, within the scope of the SYMPATHRY project, for the School of Sciences and Technology – Academic Discipline VET/06 “Parasitology and Parasitic Diseases of Animals”, Project Title: Decrypting the symbionts-vector-pathogens trilogy: new efficient tools for monitoring and control” Research Tutor: Prof. Guido Favia”

Applications presented in ways other than online will not be considered admissible and therefore will be excluded.

Applications for participation must be sent electronically, under penalty of exclusion, by 01:00 p.m. (Italian time) on the thirtieth day following that of publication of this Notice on the Unicam website.

If the deadline of the Notice falls on a Saturday or a public holiday, the deadline will be postponed to the first next working day.

Each candidate can send only one application.

The application and its attachments must be sent in one of the following formats: PDF, JPG, JPEG, PNG (maximum size for each attachment 5MB).

Successful application and date of receipt of the application is certified by the computer system by means of a receipt, which will be automatically sent to the e-mail address provided by the candidate during registration.

The computer application system for submitting the application will remain active even on any days when the University is closed.

After the deadline for submitting applications, the system will no longer allow submissions.

Assistance with the online compilation may be requested by sending a specific support request directly from within the platform and will be suspended starting from the twenty-ninth day from publication of the Notice, and until the deadline for the online compilation and submission of the application.

In the application, candidates must declare, assuming full civil, criminal, and administrative responsibility, the following:

- 1) Their last name, first name, and tax code;
- 2) Place and date of birth;
- 3) Residence;
- 4) Contact details chosen for the purposes of this selection (in particular, the domicile if different from the residence, the ordinary e-mail address to which all communications relating to this selection procedure should be sent, and the mobile phone number);
- 5) Italian citizenship and the related enjoyment of civil and political rights.
- 6) Not having been excluded from active political electorate.
- 7) Not having been disqualified from holding public offices or not having been dismissed (fired for disciplinary reasons), or not having been exempted from employment in a public administration due to persistent insufficient performance, or not having been declared forfeited from a state job for having obtained it through the production of false documents or vitiated by non-amendable invalidity.
- 8) Not having any criminal convictions, or any pending criminal proceedings (otherwise, indicate which ones);
- 9) That a permanent psychophysical unsuitability for service in the Public Administrations has not been ascertained.
- 10) The Degree obtained with the date on which the degree was awarded and the University from which it was obtained, pursuant to art. 46 of Presidential Decree no. 445/2000;
- 11) The PhD degree, if any, the date on which the degree was awarded and the University from which the degree was obtained, pursuant to art. 46 of Presidential Decree no. 445/2000;
- 12) To hold no other scholarship, fellowship or research grant, and undertaking to renounce them in case of becoming successful candidates in this selection procedure;
- 13) Having no degree of kinship or affinity, up to and including the fourth degree, with a Professor working at the School publishing the Notice, or with the Rector, Director-General, or a member of the University's Board of Governors; Failure to present this last declaration shall result in the exclusion from the procedure;
- 14) Not having been the holder, or having been the holder of research grants, indicating in the latter case the duration;
- 15) Not having been the holder or having been the holder of a fixed-term Researcher contract, indicating in the latter case the duration;
- 16) That they authorise the University of Camerino to publish their curriculum, without personal data, on the website.

In particular, Citizens of the Member States of the European Union and citizens of non-EU countries must also declare that they enjoy civil and political rights in the Country of their origin or provenance, or the reasons for the non-enjoyment of the same, and that they have adequate knowledge of the Italian language;

Candidates with disabilities, pursuant to Law No. 104 of 05 February 1992, in their application must make an explicit request in relation to their disability and regarding the aid necessary for the completion of the interview.

The Administration may order at any time, with its own motivated provision, even after the interview has taken place, the exclusion from the selection itself, due to lack of the prescribed requisites.

The exclusion will be communicated directly, by e-mail, to the interested party.

Art. 4

Selection Committee and selection procedure

Each Selection Committee is appointed by Rector's Decree and is made up of the Head of Research Project and two other members, as well as a substitute member, Professors or Researchers, belonging to the academic discipline relating to the project or to the related sector.

If the funds for the disbursement of the grant derive in whole or in part from external funding, a member of the Committee may be an expert, indicated by the funding body, with particular documented competence with respect to the subject of the research program. The external member shall also be subject to the rules of the University's Code of Ethics.

The Committee shall be made known by publishing the nomination decree on the University website, together with the individual names of the Committee members and their curricula.

The selection procedure shall be based on the evaluation of qualifications and publications and can may be followed by an interview.

When evaluating the qualifications, the Selection Committee shall consider the doctoral degree or equivalent qualification obtained abroad as a preferential qualification.

When evaluating the qualifications, only publications and specific qualifications relevant to the research activity to be carried out and showing the level of scientific and professional qualification achieved by the candidates will be taken into account draw up a specific report.

At the conclusion of each selection procedure, each Selection Committee, based on the evaluation of qualifications and publications and on the basis of the interview, will define the suitability or otherwise of each candidate and will draw up a ranking list of the suitable candidates.

With regard to scientific production, each Committee shall also evaluate the degree of creativity and autonomy shown by the candidate.

In case of renunciation of the successful candidates before the beginning of the activity, or in case of early termination due to unjustified failure to start the research activity, the grants may be conferred to suitable candidates, according to the order of the respective ranking lists.

The Rector, by Rector's Decree, shall ascertain the regularity of the acts of the selection procedure, consisting of the minutes of each meeting of the Committee, and shall approves the ranking list, which shall be immediately effective.

The results of each selection procedure shall be communicated to the winner of the grant, who will be invited to enter into a private-law contract in which the contractual rights and obligations shall be indicated.

This contract does not in any way constitute an employment contract and does not give any right with regard to access to the tenured positions at the University.

No communication shall be sent to any other candidates, who will be able to find out the results of the selection procedure from a Decree approving the procedure acts, published on the University website, "Personnel" - "Selection Procedures" - "Research grant selection procedures" – "Closed procedures, and in the UNICAM online notice board (<https://titulus-unicam.cineca.it/albo/>).

Art. 5

Conferral of the research grant

The grant shall be effective from the first day of the month following the Rector's Decree approving the selection procedure documents, unless there is a subsequent starting date resulting from the programs of the research structure and from agreements between the parties.

The research activity must be continuous. The methods of carrying out the research are governed by the organisational provisions in force at the School.

The grant is normally paid in deferred monthly instalments.

Accident insurance coverage is guaranteed to grant holders, in accordance with current legislation. The grant holder may withdraw, subject to thirty days' notice or a shorter term, if justified. In the event of withdrawal within three months of the effective date, the grant made available is attributed

until the original deadline to the first candidate placed in a useful position on the ranking list of the corresponding selection.

Art. 6 Renewal

The research grant, subject to a reasoned request from the Head of Research Project, approved by the School Council, can be renewed in compliance with the maximum limit of 36 months: however, the duration of the renewal can never be less than six months.

Art. 7 Incompatibility, rights, and duties

Incompatibility, rights and duties are established in Articles 8 and 9 of the Research Grant Regulations available on the website of the University of Camerino, in section: “University – Organisation of our University – Regulations – Research”.

Art. 8 Head of the Research Project

Head of the Research Project is a Full Professor or Senior Researcher, under whose guidance and direction the research activities envisaged by the grant are carried out.

Art. 9 Personal data processing

Pursuant to Art. 13 of the General Data Protection Regulation (EU Regulation 2016/679), candidates are hereby informed that the processing of personal data they provide when participating in the competition or in any case acquired for this purpose by the University of Camerino, is aimed solely at carrying out the activities of the selection procedure and the possible recruitment into service, and will be carried out by the persons in charge of the selection procedure, including the Selection Committee, with the use of IT procedures, in the ways and within the limits necessary to pursue the aforementioned purposes, even in the event of any communication to third parties. The provision of such data is necessary to verify the participation requirements and possession of the required qualifications, and failure to provide them may preclude this verification, and therefore may lead to exclusion from this procedure. Candidates are entitled to the rights referred to in articles 15 et seq. of the aforementioned Regulation 2016/679; in particular, the right to access their personal data, to request their rectification, cancellation, limitation of processing, as well as to oppose their processing.

Interested parties who believe that the processing of personal data referring to them occurs in violation of the provisions of the Regulation have the right to lodge a complaint with the Guarantor, as foreseen by Art. 77 of the Regulation, or to take the appropriate judicial measures, according to the provisions of art. 79 of the Regulation.

The Data Controller is the University of Camerino, with registered office in Camerino, Piazza Cavour 19/f (the operational headquarters, following the post-earthquake condemnation of the Piazza Cavour office, are in via D'Accorso No. 16 – Rector's Office – University Campus), Certified e-mail: protocollo@pec.unicam.it.

The University of Camerino has appointed a Personal Data Protection Officer, whose contact details are: E-mail: rpd@unicam.it; Certified e-mail: rpd@pec.unicam.it.

For more information, please consult the “information sheet for participants in competitions and selections announced by the University”, published on the University website on the page dedicated to the selection procedure.

Art. 10

Public access to official records

In application of the transparency obligations, pursuant to Legislative Decree No. 33 of 14 March 2013, as amended by Legislative Decree No. 97 of 25 May 2016, **this Notice of the Selection Procedure, the list of candidates with the related curricula, the Decree appointing the Selection Committee, the minutes of the meetings, and the outcome of the aforementioned selection procedure** will be published on the University website, at: <https://www.unicam.it/personale/concorsi-e-selezioni>.

This Notice of Selection Procedure is also published on the UNICAM online notice board, on the website of the Ministry of University and Research <https://bandi.miur.it>, and on the EU website <https://ec.europa.eu/euraxess>.

Art.11

Note on the application of the legislation regarding the prevention of corruption.

The University of Camerino, pursuant to art. 1 paragraphs 5 and 60 of Law No. 190/2012 containing “Provisions for the prevention and suppression of corruption and illegality in Public Administration bodies”, has adopted, with resolution of the Board of Directors dated 31 January 2024, the new Integrated Activity and Organisation Plan (*Italian acronym*: PIAO) which, as provided for by Legislative Decree No. 80 of 9 June 2021, converted with amendments by Law No. 113 of 6 August 2021, starting on 30 April 2022, contains, as an integral part, the planning of corruption prevention and transparency, effectively replacing the Three-Year Corruption Prevention and Transparency Plan.

Any reports relating to anomalies found in the completion of the procedure referred to in this notice can be sent to the Corruption Prevention Manager at the e-mail address: amministrazione.generale@unicam.it or using the protected reporting procedure at: <https://amministrazionetrasparente.unicam.it/segnalazione-di-condotte-illecite-whistleblowing>.
