- **HAVING REGARD TO** Regulation (EU) of the European Parliament and of the Council No. 679 of 27 April 2016, on the protection of natural persons with regard to the processing of personal data and on the free movement of such data;
- **HAVING REGARD TO** Legislative Decree No. 196 of 30 June 2003, i.e. the so-called “Personal Data Protection Code”, as amended by Legislative Decree No. 101 of 10 August 2018, containing provisions for the adaptation of the Italian legal system to Regulation (EU) 2016/679;
- **HAVING REGARD TO** Presidential Decree No. 445 of 28 December 2000, as amended, providing for the so-called “Consolidated Act on legislative and regulatory provisions with reference to administrative documentation”;
- **WITH REFERENCE TO** the Code of Ethical Conduct of the University of Camerino, issued with Rector’s Decree, No. 16 of 3 February 2015, and subsequently modified by Rector’s Decree No. 123/2023, Protocol No. 27774 of 19 April 2023;
- **WITH REFERENCE TO** the Gender Equality Plan 2022-2024, by virtue of which the University of Camerino guarantees equality and equal opportunities for men and women with regard to access to work, and related conditions, including the overcoming of territorial gaps;
- **CONSIDERING THAT**, in implementation of art. 1, paragraph 297, letter a) of Law No. 234 of 30 December 2021, resources are made available for the activation of a plurality of Extraordinary Plans for the recruitment of staff of state university institutions in relation to the increases in resources allocated from 2022 to 2026, providing for the activation of 4 Extraordinary Plans, called A, B, C, and D;
- **HAVING ACKNOWLEDGED** that Plan A, envisaged by the Ministerial Decree No. 445 of 6 May 2022, will end on 31 October 2024 and was entirely committed to the previous programming;
- **HAVING ACKNOWLEDGED** that Plan B, envisaged by the Ministerial Decree No. 795 of 26 June 2023, "Extraordinary university staff recruitment plan 2024", must be implemented in the time interval from 1 January 2024 to 31 October 2025 and the current planning of the teaching/researcher staff will depend on it;
- **WITH REFERENCE TO** the Resolution of the School of Biosciences and Veterinary Medicine No. 117a of 16 September 2024, later integrated by the Director’s decree, Prot. No. 79170 of 14 October 2024, which defined the groups of academic disciplines, the academic disciplines themselves, the type of scientific and teaching commitment, the implementation of the so-called social impact (the so-called third mission), the number of publications to be presented, and the methods of verification of the foreign language;

- **WITH REFERENCE TO** the Resolution of the School of Architecture and Design No. 162 of 3 October 2024, later integrated by the Director's decree, Prot. No. 79157 of 14 October 2024, which defined the groups of academic disciplines, the academic disciplines themselves, the type of scientific and teaching commitment, the implementation of the so-called social impact (the so-called third mission), the number of publications to be presented, and the methods of verification of the foreign language;
- **HAVING ACKNOWLEDGED** that the new Integrated Plan of Activities and Organisation (*Italian acronym: PIAO*) 2024-2026, approved by the Board of Directors in the meeting of 31 January 2024, as a single programming document, provides for a hiring strategy aimed at restoring the balance between the Teacher/Researcher component and that of the technical-administrative staff, already present in the PIAO 2023-2025, keeping in mind that the University's objective is to restore the ratio of 0.97 situation relating to the year 2012), considering all teachers, except Fixed-Ter Researchers (RTD A), and all permanent technical-administrative staff (so-called strategic indicator);
- **WITH REFERENCE TO** the resolutions of the Governing Bodies of 13 June 2024, in which the first implementation phase of the planning of the teaching staff and researchers was approved;
- **WITH REFERENCE TO** the resolutions of the Board of Directors of 24 July 2024, regarding the assignment of staff points to technical-administrative staff, within which, in the introduction, the additional staff points to be assigned to teaching/research staff were identified, deriving from the Extraordinary Plan B (Ministerial Decree no. 795 of 26 June 2023);
- **WITH REFERENCE TO** the resolutions of the Board of Directors and the Academic Senate of 10 October 2024, in which the activation of the aforementioned call procedures was approved;
- **CONSIDERING** the need to carry out the aforementioned Call selection procedures in the shortest possible time, in order to guarantee the entry into service of the two Associate Professors by 31 December 2024, it is considered appropriate to derogate the provisions contained in art. 3 of the "University Regulations for the discipline of the Selection Procedure for Full and Associate Professors" mentioned above, with reference both to the timing of publication of the announcement, and to the timing of publication of the decree appointing the Selection Committee, and to the deadline for any challenge of the Committee Members, and to the deadline for publication of the evaluation criteria, and to the deadline for the conclusion of the work by the Committee;
- **ASCERTAINED** the financial availability to announce the above-described Associate Professor positions, which will be covered by the resources allocated by Ministerial Decree No. 795 of 26 June 2023 (Extraordinary Plan, called Plan B);

DECREES

Art. 1 Purpose

Two (2) selection procedures by Call for 2 (two) positions of Associate Professor, are now open for applications, pursuant to Art. 18, Paragraph 4 of Law No. 240/2010, at the University of Camerino, with a single administrative office headquarters, even though several teaching and/or research facilities are

located in municipalities other than Camerino, for the below specified Schools, Groups of Academic Disciplines, and Academic Disciplines:

1)

SCHOOL OF BIOSCIENCES AND VETERINARY MEDICINE
<i>Group of Academic Disciplines: 05/BIOS-14 “Genetics”</i>
<i>Academic Discipline: BIOS-14/A “Genetics”</i>
<i>Maximum number of publications to be submitted: 12</i>
<i>Type of research activity:</i> The scientific activity will consist of research activity on genomics in the field of evolutionary biology and applied to medicine, also on an interdisciplinary scale, with continuous development of bioinformatic techniques and methods for data analysis. The commitment to research also includes collaboration with the “omics” research units operating within the University and at a national level with a focus on international collaboration and planning..
<i>Type of teaching activity:</i> The teaching activity will include courses delivered in person and in English language by the School of Biosciences and Veterinary Medicine in the three-year, master’s or single-cycle degree courses, in reference to biology and biotechnology, with attention to laboratory activities. Supervision of internships and bachelor’s/master’s degree theses, as well as in the PhD, must be foreseen..
<i>Realisation of the so-called social impact (the so-called third mission):</i> The third mission activity refers to participation in consolidated activities planned by the University (e.g., Open Houses, Career Days, Science Trips) and to activities related to the dissemination of the results of research in the academic discipline, as per consolidated national and international practices.
<i>Assessment of language skills:</i> Linguistic skills relating to knowledge of the English language will be assessed on the basis of documented curricular experience (presented international scientific publications, oral communications at international conferences) as per the practice of the scientific community: therefore, assessment in person is not foreseen.

2)

SCHOOL OF ARCHITECTURE AND DESIGN
<i>Group of Academic Disciplines: 08/CEAR-10 “Design”</i>

<i>Academic Discipline: CEAR-10/A “Design”</i>
<i>Maximum number of publications to be submitted: 12</i>
<i>Type of research activity:</i> The candidate must exhibit a high-level scientific profile in the topics related to the academic discipline CEAR-10/A (Design). The following is requested from the candidate: - a scientific production, measured on the quality of the products as well as on the intensity and continuity of the work; - a research activity, developed with interdisciplinary approaches, aimed at intensifying relationships through agreements with public and private bodies in the local area and accessing European funding with the presentation of innovative projects; - an activity aimed at making the School's courses of study attractive, using the tools provided by the rules and regulations on “quality assurance of courses of study”; - an internationalisation activity, focused on exchanges with foreign universities for teaching and research activities. The theoretical and experimental research activities will be carried out mainly in the Ascoli Piceno and Camerino headquarters, with applications in case studies at local, regional and international levels.
<i>Type of teaching activity:</i> The candidate will have to carry out teaching activities within the scope of the already planned study courses, and those being planned; in particular, he/she will carry out his/her duties through theoretical lessons, laboratory activities, training activities provided within the scope of the study courses of the University of Camerino.
<i>Realisation of the so-called social impact (the so-called third mission):</i> The candidate must demonstrate the ability and commitment to actively contribute to the third mission of the University, promoting the direct application, valorisation, and use of knowledge to contribute to the social, cultural, and economic development of society. This will include participation in scientific dissemination initiatives, technology transfer, and commitment to collaborative activities with public and private entities to promote innovation and development of the territory.
<i>Assessment of language skills:</i> Linguistic skills relating to knowledge of the English language will be assessed and verified on the basis of the skills that can be seen from the curriculum vitae presented: therefore, in-person assessment is not foreseen.

As regards the description of the contents of Groups of Academic Disciplines, and the update of Academic Disciplines and their attribution to the Groups of Academic Disciplines, please refer to Ministerial Decree No. 639 of 2 May 2024.

Art. 3

Requirements for participation in the selection procedure by Call

Only candidates who, in the three years preceding the deadline of the Call, have not served as a tenured Full Professor, Tenured Associate Professor, Permanent Researcher, or Fixed-term Researcher, as per Article 24, paragraph 3, letters a) and b), or have not held research grants or enrolled in university courses at the University of Camerino or in the Call for mobility as per Article 7, paragraph 5-a, as expressly provided for by Article 18, paragraph 4 of Law No. 240/2010, as expressly provided for by art. 18 paragraph 4 of Law No. 240/2010, as integrated by art. 26 paragraph 2 letter b) of Legislative Decree No. 152 of 6 November 2021 converted with amendments by Law No. 233 of 29 December 2021.

Candidates with the above characteristics may participate in these selection procedures, if they are:

- a. scholars in possession of the National Scientific Qualification, pursuant to art. 16 of Law No. 240/2010, for the recruitment field (now group of academic disciplines) indicated in the Call or for one of the recruitment fields included in the same macro-sector for the roles which are the object of the procedure or for the higher roles, provided that they are not already holders of the same higher roles;
- b. scholars who have obtained the qualification, pursuant to Law No. 210/1998, in the scope and for the range corresponding to those for which the Call is issued, limited to the duration of the same, since pursuant to art. 29 paragraph 8 of Law No. 240/2010, the qualification is equivalent to the Qualification;
- c. Associate Professors already employed at other Universities, classified in the recruitment files (now group of academic disciplines) indicated in the Call;
- d. scholars permanently engaged abroad in research or teaching activities at university level, in positions of equal level to those covered by the Call, on the basis of the correspondence tables recently defined by the Ministry, having heard the opinion of the National University Council (CUN), with Ministerial Decree No. 1103 of 30 July 2024.

The following shall not be admitted to the Selection procedure by Call:

- a) Those who have a degree of kinship or affinity, up to and including the fourth degree, with a professor belonging to the School proposing the Call, or with the Rector, the General Director or a member of the University Board of Directors;

- b) Candidates excluded from the enjoyment of civil and political rights;
- c) Candidates excluded from the active political electorate and those who have been dismissed or released from a position in Public Administration for consistently insufficient performance, or who have been revoked from another public sector position, pursuant to Art. 127, letter d) of Consolidated Law approved by Presidential Decree No. 3 of 10 January 1957.

Candidates must be in possession of the requirements for admission to the Selection procedure at the date of expiry of the deadline for submitting the application.

Art. 4 **Application and presentation deadline**

Applications for participation in this selection procedure must be submitted within the peremptory term of **15 days**, starting from the day following the date of publication of the relevant Notice in the Official Gazette of the Italian Republic - the 4th Special Series - Competitions and Exams.

If the deadline for submitting the application falls on a Saturday or a public holiday, the deadline shall be postponed to the first working day.

To participate in the selection procedure, it is necessary to fill in and sign an online application, drawn up according to the model provided by the platform.

The application and the related attachments must be submitted exclusively through the computer application system adopted, available at the link indicated on the webpage on which the Notice of the Selection Procedure was published.

Access to the platform is permitted through the following methods:

- using SPID (public digital identity system): please note that in this case it is not necessary to sign the participation application;
- by registering on the platform, to be carried out upon first access, with the creation of a login ID and password, in this case the participation application must be signed with a handwritten or digital signature.

Please note that the email addresses, ordinary and certified email, indicated by the candidate in the participation application will be used by this Administration for all subsequent communications relating to the procedure in question.

All information needed for the correct completion and submission of the application is available in the “*Guide to completing the online application*”, published on the application form home page

The application must be submitted exclusively through the online procedure indicated in the Notice, depending on each single procedure:

- 1) “*Application for participation in Selection Procedure by Call for one (1) position of Associate Professor, pursuant to Art. 18, Paragraph 4 of Law No. 240/2010, for the School of Biosciences and Veterinary Medicine, Group of Academic Disciplines 05/BIOS-14, and Academic Discipline BIOS-14/A*”;
- 2) “*Application for participation in Selection Procedure by Call for one (1) position of Associate Professor, pursuant to Art. 18, Paragraph 4 of Law No. 240/2010, for the School of Architecture and Design, Group of Academic Disciplines 08/CEAR-10, and Academic Discipline CEAR-10/A*”;

Applications presented in ways other than online will not be considered admissible and therefore will be excluded.

The online compilation and submission of the application must be carried out by 01:00 p.m. (Italian time) on the day of expiry of the Notice.

Each candidate can send only one application.

The following must be attached to the application, in PDF, JPG, JPEG, or PND format (maximum allowed size for single attachment is 5 MB):

- curriculum vitae indicating scientific and teaching activity of the candidate, dated and signed;
- a detailed list of publications submitted, dated and signed;
- a number of publications indicated in Art. 1 of this Notice;
- a copy of a valid identification document (front and back) – only if the handwritten signature, without SPID, is used.

Successful application and date of receipt of the application is certified by the computer system by means of a receipt, which will be automatically sent to the e-mail address provided by the candidate during registration.

The computer application system for submitting the application will remain active even on any days when the University is closed.

After the deadline for submitting applications, the system will no longer allow submissions.

Assistance with the online compilation may be requested by sending a specific support request directly from within the platform and will be suspended starting from the twenty-ninth day from publication of the Notice, and until the deadline for the online compilation and submission of the application.

In the application, candidates must declare, assuming full civil, criminal and administrative responsibility, the following:

1. Their last name, name, place and date of birth, residence and citizenship;
2. Tax Code (for Italian citizens) or Personal identification code (for foreign citizens);
3. To be in possession of all the requirements for admission to the Selection procedure, pursuant to Art. 3 of this Notice of Selection Procedure;
4. To have no degree of kinship or affinity, up to and including the fourth degree, with a Professor belonging to the School proposing the Call, or with the Rector, the General Director or a member of the University Board of Directors. **Failure to provide this last declaration will result in exclusion from the procedure;**
5. **Not to have worked, in the last three years, as Full Professor, Associate Professor, Permanent Researcher, Fixed-term Researcher as per article 24 paragraph 3 letters a) and b), or that they have not been holder of research grants or enrolled in university courses at the University of Camerino, or in the Call for mobility, as per article 7 paragraph 5-bis;**
6. To have no criminal convictions, or, in case of any convictions, indicating the details of the related sentences and any pending criminal proceedings;
7. To enjoy full civil and political rights;
8. For foreign citizens, to enjoy full civil and political rights in their State of origin, or the reasons for the exclusion from the enjoyment of civil and political rights, and to have adequate knowledge of the Italian language;
9. The current position regarding military service obligations (for Italian citizens born before 1986);

10. To not have been dismissed from a position in Public Administration for consistently insufficient performance, and to not have been revoked from another public sector position, pursuant to Art. 127, letter D, of Consolidated Text of Presidential Decree No. 3 of 10 January 1957;
11. The University where the qualification was obtained and the date of approval of the documents (for the subjects referred to in art. 3 letter b) of this Call;
12. The indication of the recruitment field in which the National Scientific Qualification was obtained and the date of achievement;
13. The indication of the salary class, in the case provided for by art. 3 letter c) of this Call, i.e. in the case of Associate Professors already in service at another University;
14. The indication of the position of the same level as that covered by the Call, in the case of scholars permanently engaged abroad in research or teaching activities at university level (hypothesis envisaged in art. 3 letter d);
15. That what is reported in the curriculum vitae is true and correct, and that the attached publications conform to the originals.

The application must also include the elected domicile of the candidate for the purposes of this Selection Procedure, and a certified e-mail address, if any. It is advisable to include a telephone number of the candidate. Any change in the address must be promptly communicated to the Division of Human Resources, Organisation and Development [Area Persone, Organizzazione e Sviluppo] of the University of Camerino.

The Administration shall not be held responsible for the loss of communications due to the incorrect indication of the address by the candidate, or due to failure to communicate, or to late communication of the change of the address indicated in the application, or due to any computer or Internet issues, attributable to third parties, in the case of unforeseeable circumstances or force majeure.

Any withdrawal from the selection by the candidate, signed, dated and accompanied by a copy of a valid identity document, must be addressed to the Rector and sent by e-mail, with a scanned file, to the following e-mail address: anna.silano@unicam.it.

The withdrawal shall take effect as from the first meeting following the date of receipt.

Art. 5 Qualifications and Publications

The candidates must declare in the application the possession of the requirements for admission to the selection procedure, pursuant to Art. 3 of this Notice.

They also must submit the publications deemed useful for this selection procedure.

The number of publications must not exceed the number indicated in Art. 1 of this Notice. If the maximum number of publications is exceeded, the Selection Committee shall evaluate the same, according to the order indicated in the list, up to the limit established. Therefore, the publications sent, but not included in the list attached to the application, shall not be taken into consideration by the Selection Committee.

It is not permitted to refer to documents or publications presented for other procedures to this or another Administration.

The Administration is required to carry out appropriate checks, even randomly, and in all cases where well-founded doubts arise as to the veracity of the statements produced. Anyone making false statements, uttering

forged instruments, or making use of the same, shall be subject to the provisions of Art. 76 of Presidential Decree No. 445/2000.

Acts and documents originally in a foreign language, other than English, French, German or Spanish, must be accompanied by a translation into Italian, certified as conforming to the original, and issued by a competent diplomatic or consular representation, or by an official translator.

Art. 6 Exclusions

All candidates shall be admitted to the procedure conditionally, subject to verification of the aforementioned admission requirements. The Administration, with a reasoned provision, may at any time during the procedure exclude those candidates who do not meet these requirements. The exclusion will be communicated directly to the person concerned at the email address indicated during registration on the platform.

Art. 7 General criteria for the evaluation of candidates

The selection is aimed at identifying the candidates most qualified to carry out teaching and scientific tasks, for which the each position has been opened.

The evaluation takes place on the basis of the criteria, and according to the rules set out by the Selection Committee, in line with the indications of the Notice of Competition.

The criteria take into account the qualifications, scientific publications, curriculum vitae, teaching activity, language skills, if required, and specific competences indicated in Art. 1 of the Notice.

Art. 8 Selection Committee and related obligations

For the purposes of the Procedure by Call, referred to in this Notice of Competition, a Selection Committee shall be appointed, composed according to the provisions of Art. 6 of the Regulations, and immediately operational, given the urgency of completing the work.

From the day following the date of publication of the Decree of Appointment on the website and on the official online register, the term of five (5) days for any challenge, if the conditions set out in art. 51 of the Code of Civil Procedure exist, of the Committee Members by the candidates, shall begin.

Committee members are officially required to participate in the work of the Committee, except in cases of force majeure. The renunciation of the appointment or resignation of a member of the Committee, due to unexpected impediments, must be properly justified, and shall take effect only after the issuance of a Decree of approval by the Rector, also appointing a substitute member.

The Committee shall carry out its work in the presence of all members and shall make any decisions by an absolute majority of the same.

The call for the first meeting of the Committee shall be made by the Rector.

In its first meeting, the Committee shall:

- 1) elect the Chairman and the Minute Taker;

2) establish the criteria and the methods for the evaluation of candidates;

At the end of the first meeting, the report containing the criteria and the methods for the evaluation of candidates shall be sent to the Procedure Manager, who must attend to the publication of the same on the University's website, not less than two (2) days before the continuation of the Committee's work.

Each Committee preliminarily verifies possession of the requirements referred to in the art. 3 of this Call, and then proceeds to evaluate the candidate(s) on the basis of the criteria established in the preliminary session.

In all four procedures, the assessment is envisaged without the presence of linguistic skills, according to the methods indicated in the art. 1 of the Call.

At the end of the work, each Selection Committee, after evaluating the candidate(s), carried out on the basis of the scientific publications, curriculum, qualifications, teaching activity and assessment of linguistic skills, with a resolution adopted by a majority of the members, formulates an overall opinion for each candidate, forming a ranking list, and indicating the candidates most qualified to carry out the tasks indicated in the Call.

Once the work is completed, each Committee delivers the competition documents to the person responsible for the proceedings.

The proceedings of the Committee consist of the minutes, drawn up in duplicate copy, of the individual meetings, including the individual, collective and overall judgements expressed on each candidate.

The work of the each Committee must necessarily be concluded **by the first week of December 2024**.

Art. 9 Approval of the Proceedings

The proceedings must be approved by a Rector's Decree, following the delivery of the minutes by the Committee to the Division of Human Resources, Organisation and Development [*Area Persone, Organizzazione e Sviluppo*], after verification of their regularity. This Decree shall be communicated to the candidates and to the School publishing the Call, in order to proceed with the subsequent steps.

Rector's Decree approving the proceedings shall be published in the Official Gazette of the Italian Republic, and on the website of the University of Camerino.

From the date of publication of the aforementioned Decree in the Official Gazette, the terms for filing any appeals shall start.

The minutes of the meetings and the individual, collective and overall judgments shall be published on the website of the University of Camerino.

In the event of any irregularities, the Rector shall send the proceedings back to the Committee, together with a substantiated decision, establishing a deadline to provide for any necessary changes.

Art. 10 Call

Following the approval of the documents, each School, based on the outcome of the selection, proposes the call of the Full Professor with a favourable vote of the absolute majority of the first-level Professors.

This proposal is then submitted to the Board of Directors for approval, subject to verification of the existence of the necessary financial availability and compliance with current regulatory provisions.

Art. 11 Rights and Duties

Rights and duties are as prescribed by applicable laws and regulations concerning the legal status of the teaching staff.

Art. 12 Financial Compensation and Social Security Benefits

Financial compensation and social security benefits are as prescribed by applicable laws and regulations on the subject.

Art. 13 Appointment

The appointment to Full Professor is prescribed by Rector's Decree and is subject to verification of the conditions prescribed by laws and regulations on employment and labour.

The candidate proposed for the appointment shall receive a specific communication, inviting him/her to submit the documents necessary for the appointment, under penalty of invalidation.

Art. 14 Processing of Personal Data

Without prejudice to the provisions on publication obligations by Legislative Decree No. 33/2013 and subsequent amendments and the Minerva Code, the University of Camerino undertakes to respect the confidential nature of the information provided by the candidate, pursuant to EU Regulation 2016/679.

Pursuant to Art. 13 of the General Data Protection Regulation (EU Regulation 2016/679), candidates are hereby informed that the processing of personal data they provide when participating in the competition or in any case acquired for this purpose by the University of Camerino, is aimed solely at carrying out the activities of the selection procedure and the possible recruitment into service, and will be carried out by the persons in charge of the selection procedure, including the Selection Committee, with the use of IT procedures, in the ways and within the limits necessary to pursue the aforementioned purposes, even in the event of any communication to third parties.

The provision of such data is necessary to verify the participation requirements and possession of the required qualifications, and failure to provide them may preclude this verification, and therefore may lead to exclusion from this procedure.

Candidates are entitled to the rights referred to in articles 15 et seq. of the aforementioned Regulation 2016/679; in particular, the right to access their personal data, to request their rectification, cancellation, limitation of processing, as well as to oppose their processing.

Interested parties who believe that the processing of personal data referring to them occurs in violation of the provisions of the Regulation have the right to lodge a complaint with the Guarantor,

as foreseen by Art. 77 of the Regulation, or to take the appropriate judicial measures, according to the provisions of art. 79 of the Regulation.

The Data Controller is the University of Camerino, with registered office in Camerino, Piazza Cavour 19/f (the operational headquarters, following the post-earthquake condemnation of the Piazza Cavour office, are in Via Pieragostini n. 18 – Rector's Office – University Campus), Certified e-mail: protocol@pec.unicam.it.

The University of Camerino has appointed a Personal Data Protection Officer, whose contact details are: E-mail: rpd@unicam.it; Certified e-mail: rpd@pec.unicam.it.

For more information, please consult the "Information sheet for participants in competitions and selections announced by the University", published on the University website on the page dedicated to the selection procedure.

UNICAM reserves the right to carry out checks on the veracity of the declarations made.

Art. 15 Procedure Manager

The Procedure Manager, referred to in this Notice of Competition, is Ms Anna Silano, Telephone: 0737/402024; E-mail: anna.silano@unicam.it.

Art. 16 Regulations of Reference

For all matters not provided for in this Notice of Competition, the provisions of current legislation regarding public competitions and university legislation shall apply, insofar as applicable.

THE RECTOR
Prof. Graziano Leoni
