## Art. 1 Subject

The public selection procedure, based on qualifications and an interview, for conferral of **1 (one) research grant** for the carrying out of research activities at the School and for the research project indicated below, is now open:

### **SCHOOL OF PHARMACEUTICAL SCIENCES AND HEALTH PRODUCTS**

**Research Project Title:** *“Applying closed-loop acoustic stimulation during sleep to reduce cortical excitability and epileptic activity in focal epilepsy”*

**Activities to be carried out:** The activities to be carried out will include microsurgery on rats for the chronic recording of brain signals (EEG, LFP, multiunit in vivo) and for the classification of sleep, wakefulness and epileptic activity; behavioural tests; preparation of brain tissue for histochemical and molecular biology analyses (immunofluorescence, western blotting, etc.); study and review of relevant literature; data acquisition and maintenance of laboratory notebooks containing the details of the experiment; data analysis and preparation of graphs and scientific reports.

In-person attendance is required.

**Description of the project:** The project aims to use sleep enhancement, obtained with non-pharmacological approaches, to reduce epileptic activity in a preclinical model of focal epilepsy. Furthermore, we will elucidate the biological mechanisms underlying the beneficial effects of slow-wave sleep enhancement, at synaptic and circuit levels.

**Research Area (CUN):** 05 – Biological Sciences

**Academic Discipline:** BIOS-06/A “Physiology” (formerly BIO/09 “Physiology”);

**Duration of the grant:** 12 months (with possibility of extension);

**Cost of the grant:** €28,000.00, gross including all charges, including those borne by the Institution. The expense will be borne by the cost centre FPI102019 - RENDICONT\_PRIN PNRR 2022 – De Vivo Luisa, Unique Project Code (CUP): J53D23016070001 – Ministry of University and Research Code: P2022AFP2W;;

**Gross cost of the grant:** €22,690.00 (gross amount to be paid to the grant holder);

**Research Tutor:** Ms. Luisa De Vivo

**Place of carrying out research activity:** School of Pharmaceutical Sciences and Health Products

**Admission requirements and qualifications:** Single-cycle Master's Degree in Pharmacy and Industrial Pharmacy (LM-13), Master's Degree in Biology (LM-06), Master's Degree in Pharmaceutical Biotechnology (LM-09), Master's Degree in Physical and Astrophysical Sciences (LM-17), Master's Degree in Computer Science (LM-18), Master's Degree in Biomedical Engineering (LM-21), Master's Degree in Medicine and Surgery (LM-41), Single-cycle Master's Degree in Veterinary Medicine (LM-42), Master's Degree in Psychology (LM-51), Master's Degree in Cognitive Sciences (LM-55);

**Qualifications valid for evaluation:** PhD in Neuroscience, PhD in Physics, or similar, laboratory research experience/experimental thesis, peer reviewed scientific publications, participation in conferences, training courses for the use of animals in scientific research; Excellent knowledge of the English language is also required.

**Procedure method:** Based on qualifications and an interview.

## Art. 2

### Requirements for participation in the selection procedure

The following shall be admitted to the selection procedure for the conferral of research grants:

- Candidates in possession of a Master's/Specialist Degree or Old-System Degree, or equivalent foreign qualification in the degree class indicated in Article 1 of the Call, or in similar study topics, according to each grants covered by the Call;
- Candidates having a scientific-professional curriculum suitable for carrying out the research activity.

**The aforementioned admission requirements must be met on the expiry date of this call for applications, under penalty of exclusion.**

Foreign citizens must be in possession of a degree equivalent to those previously mentioned. Equivalence must be certified by competent authorities.

Research grants shall not be awarded to permanent staff members at universities, public research and experimentation agencies and institutions, the Italian National Agency for New Technologies, Energy and Sustainable Development (ENEA), the Italian Aerospace Agency (ASI), as well as at the institutions conferring scientific specialisation degrees recognised as equivalent to a PhD degree pursuant to Art. 74, paragraph 4 of Presidential Decree. No. 382 of 11 July 1980.

Candidates excluded from the active political electorate shall not be admitted to the selection procedure.

Foreign citizens must also meet the following requirements:

- a) enjoying full civil and political rights in the Country of origin or provenance;
- b) meeting all the requirements necessary for the Italian citizens, except for the Italian citizenship,
- c) having adequate knowledge of the Italian language.

Pursuant to Art. 18, paragraph 1, letters b) and c) of the Law No. 240/2010 and Art. 1, paragraph 3 of the Regulations, candidates having a degree of kinship or affinity, up to and including the fourth degree, with a Professor working at the School publishing the proposal for the activation of the contract, or with the Rector, Director-General, or a member of the University's Board of Governors, shall not be admitted to the selection procedure.

Furthermore, candidates who have already been awarded research grants by any institution, pursuant to Law No. 240/2010, for a period exceeding 6 years when summed up with the duration of this grant, shall not be admitted to this selection procedure. If the grant has been awarded during a PhD programme without a scholarship and up to the legal duration of the course, that period is not counted.

Furthermore, candidates who have held contracts as research fellows or fixed-term researchers, pursuant to Articles 22 and 24 of Law No. 240/2010, with the University of Camerino or any other Italian university, government, non-government or online, or with institutions described in Art. 22, paragraph 22 of Law No. 240/2010, for a period exceeding 12 years, when summed up with the duration of this grant, even if not continuous, shall not be admitted to this selection procedure.

Periods spent on maternity leave or sick leave, according to the current legislation, shall not be taken into account for the purposes of the duration of the aforementioned work relationships.

**The Administration may order, at any time, with a motivated provision, the exclusion from the selection procedure due to lack of the prescribed requisites.**

For the online submission of the application, candidates must have an ordinary e-mail address (not certified e-mail), for the purposes of registering with the system. Registration must be done at the time of first access.

Please note that the e-mail address indicated by the candidate during registration will be used by this Administration for all subsequent communications relating to the selection procedure in question.

All information needed for the correct completion and submission of the application is available in the “*Guide to completing the online application*”, published on the application form home page.

The application must be submitted exclusively through the online procedure indicated in the Notice, containing the following wording:

*“Application for participation in the selection procedure for the conferral of 1 (one) 12-month research collaboration grant financed with PRIN 2022 funds, for the School of Pharmaceutical Sciences and Health Products, for Academic Discipline BIOS-06/A – Project Title: “Applying closed-loop acoustic stimulation during sleep to reduce cortical excitability and epileptic activity in focal epilepsy” – Research Tutor: Prof. Luisa De Vivo - (Unique Project Code (CUP): J53D23016070001 – Ministry of University and Research Code: P2022AFP2W Mission 4 Component C2 – Investment 1.1 )*

Applications presented in ways other than online will not be considered admissible and therefore will be excluded.

**Applications for participation must be sent electronically, under penalty of exclusion, by 01:00 p.m. (Italian time) on the (30) thirtieth day following that of publication of this Notice on the Unicam website.**

If the deadline of the Notice falls on a Saturday or a public holiday, the deadline will be postponed to the first next working day.

Each candidate can send only one application.

The application and its attachments must be sent in one of the following formats: PDF, JPG, JPEG, PNG (maximum size for each attachment 5MB).

Successful application and date of receipt of the application is certified by the computer system by means of a receipt, which will be automatically sent to the e-mail address provided by the candidate during registration.

The computer application system for submitting the application will remain active even on any days when the University is closed.

After the deadline for submitting applications, the system will no longer allow submissions.

Assistance with the online compilation may be requested by sending a specific support request directly from within the platform and will be suspended starting from the twenty-ninth day from publication of the Notice, and until the deadline for the online compilation and submission of the application.

Candidates with disabilities, pursuant to Law No. 104 of 05 February 1992, in their application must make an explicit request in relation to their disability and regarding the aid necessary for the completion of the interview.

Candidates must attach the following to the application:

- 1) **Curriculum vitae, bearing their signature and the date**, which must contain a specific declaration in lieu of a sworn statement, in which it is declared that what is reported in the same corresponds to the truth, pursuant to articles 19 and 47 of Presidential Decree no. 445/2000. This CV, without personal data, may be published on the University website if required by law.
- 2) **All the qualifications considered useful for the purposes of the assessment and the relative list** (based on what is required in article 1 of this Call in reference to the selection procedure), pursuant to articles 19 and 47 of Presidential Decree No. 445/2000.

It should be noted that any publications in a foreign language must be produced in the original language; the same must be translated into Italian or French or English or German or Spanish, only if the original is produced in a language other than those already mentioned.

**3) Degree(s) obtained abroad, required for admission to this selection:**

- a) original copy or a copy authenticated by an Italian authority, notarised, and accompanied by a certified or sworn translation;
- b) with attached declaration of value or the transcripts of the exams taken, relative to the degree required for participation;

Please note that the foreign qualification may be declared admissible by the Admissions Committee only for the purposes of admission to this selection procedure.

**4) The participation application itself, dated and signed, specifying that the application must be uploaded to the platform with all its pages and that the application must necessarily be signed under penalty of exclusion.**

**5) A copy (back and front) of a valid identity document.**

**Applications without the candidate's signature will be excluded from the procedure.**

The University Administration reserves the right to verify the veracity and authenticity of the statements produced.

Candidates are admitted to the selection with reserve (conditional admission).

**The Administration may order at any time, with its own motivated provision, has taken place, the exclusion from the selection itself, due to lack of the prescribed requisites.**

The exclusion will be communicated directly, by e-mail, to the interested party.

**Please note that in the period from 21 December 2024 to 6 January 2025, following the closure of the University facilities for the Christmas holidays, the office will not guarantee platform assistance.**

#### Art. 4

#### Selection Committee and selection procedure

The Selection Committee is appointed by Rector's Decree and is made up of the Head of Research Project and two other members, as well as a substitute member, Professors or Researchers, belonging to the academic discipline relating to the project or to the related sector. If the funds for the disbursement of the grant derive in whole or in part from external funding, a member of the Committee may be an expert, indicated by the funding body, with particular documented competence with respect to the subject of the research program. The external member shall also be subject to the rules of the University's Code of Ethics.

The Committee shall be made known by publishing the nomination decree on the University website, together with the individual names of the Committee members.

The selection procedure will take place through the evaluation of the qualifications and publications presented by the candidates, on the basis of the declarations produced by them, and, where applicable, through an interview.

The Committee will establish a maximum score to be awarded for the evaluation of qualifications/publications and the interview.

Furthermore, it will have to establish the minimum score, resulting from the evaluation of qualifications and publications, to access the interview and may eventually establish the minimum score to pass the interview and be admitted to the final ranking.

**It is specified that the Selection Committee, in evaluating the qualifications, may consider a PhD or equivalent qualification obtained abroad as a preferential qualification.**

When evaluating the qualifications, only publications and specific qualifications relevant to the research activity to be carried out and showing the level of scientific and professional qualification achieved by the candidates will be taken into account.

At the end of each meeting, the Committee will draw up a specific report.

**The interview is scheduled for 16 January at 10:00 a.m. CET, in the virtual classroom <https://unicam.webex.com/meet/luisa.devivo>**

**At the conclusion of the selection procedure, each Selection Committee, based on the evaluation of qualifications and publications and on the basis of the interview, will define the suitability or otherwise of each candidate and will draw up a ranking list of the suitable candidates.**

**With regard to scientific production, each Committee shall also evaluate the degree of creativity and autonomy shown by the candidate.**

In case of renunciation of the successful candidates before the beginning of the activity, or in case of early termination due to unjustified failure to start the research activity, the grants may be conferred to suitable candidates, according to the order of the respective ranking lists.

The Rector, by Rector's Decree, shall ascertain the regularity of the acts of the selection procedure, consisting of the minutes of each meeting of the Committee, and shall approve the ranking list, which shall be immediately effective.

The results of each selection procedure shall be communicated to the winner of the grant, who will be invited to enter into a private-law contract in which the contractual rights and obligations shall be indicated. This contract does not in any way constitute an employment contract and does not give any right with regard to access to the tenured positions at the University.

All other candidates will be able to find out the results of the selection procedure from a Decree approving the procedure acts, published on the University website ("Personnel" - "Selection Procedures" - "Research grant selection procedures" - "Closed procedures", and in the UNICAM online notice board.

## Art. 5

### Conferral of the research grant

The grant shall be effective from the first day of the month following the Rector's Decree approving the selection procedure documents, unless there is a subsequent starting date resulting from the programs of the research structure and from agreements between the parties.

The research activity must be continuous. The methods of carrying out the research are governed by the organisational provisions in force at the School.

The grant is normally paid in deferred monthly instalments.

Accident insurance coverage is guaranteed to grant holders, in accordance with current legislation. The grant holder may withdraw, subject to thirty days' notice or a shorter term, if justified. In the

## **Art. 6 Renewal**

The research grant, subject to a reasoned request from the Head of Research Project, approved by the School Council, can be renewed in compliance with the maximum limit of 36 months: however, the duration of the renewal can never be less than six months.

## **Art. 7 Incompatibility, rights, and duties**

Incompatibility, rights and duties are established in Articles 8 and 9 of the Research Grant Regulations available on the website of the University of Camerino, in section: “University – Organisation of our University – Regulations – Research”.

## **Art. 8 Head of the Research Project**

Head of the Research Project is a Full Professor or Senior Researcher, under whose guidance and direction the research activities envisaged by the grant are carried out.

## **Art. 9 Personal data processing**

Pursuant to Art. 13 of the General Data Protection Regulation (EU Regulation 2016/679), candidates are hereby informed that the processing of personal data they provide when participating in the competition or in any case acquired for this purpose by the University of Camerino, is aimed solely at carrying out the activities of the selection procedure and the possible recruitment into service, and will be carried out by the persons in charge of the selection procedure, including the Selection Committee, with the use of IT procedures, in the ways and within the limits necessary to pursue the aforementioned purposes, even in the event of any communication to third parties. The provision of such data is necessary to verify the participation requirements and possession of the required qualifications, and failure to provide them may preclude this verification, and therefore may lead to exclusion from this procedure. Candidates are entitled to the rights referred to in articles 15 et seq. of the aforementioned Regulation 2016/679; in particular, the right to access their personal data, to request their rectification, cancellation, limitation of processing, as well as to oppose their processing.
