HAVING REGARD TO Presidential Decree No. 445 of 28 December 2000, and subsequent amendments, providing for the so-called “Consolidated Act on legislative and regulatory provisions with reference to administrative documentation”;

HAVING REGARD TO Law No. 241 of 7 August 1990 and subsequent amendments and additions, containing rules on administrative procedure and the right of access to administrative documents, in compliance with the principles of legality, economy, effectiveness, impartiality and transparency;

HAVING REGARD TO the University of Camerino signing the declaration of commitment to adopt the European Charter for Researchers and of the Code of Conduct for the Recruitment of Researchers, in July 2005;

HAVING REGARD TO Legislative Decree No. 33 of 14 March 2013, as amended by Legislative Decree No. 97 of 25 May 2016, providing for “Reorganisation of the regulation concerning the right of civic access and the obligations of publicity, transparency and dissemination of information by Public Administrations”;

WITH REFERENCE TO the Code of Ethical Conduct of the University of Camerino, issued with Rector’s Decree, No. 16 of 3 February 2015, and then recently modified with Rector’s Decree No. 123/2023 Prot. No. 27774 of 19 April 2023;

HAVING ACKNOWLEDGED that the Board of Directors approved the new 2023-2025 Integrated Plan of Activities and Organization (Italian acronym: PIAO) at its meeting on 31 January 2023, containing the measures adopted for the prevention of corruption, as indicated by the Law No. 190 of 6 November 2012;

WITH REFERENCE TO the Gender Equality Plan 2022-2024, under which the University of Camerino guarantees equality and equal opportunities for men and women as regards access to employment and related conditions;

WITH REFERENCE TO the Resolution of the Board of the School of Biosciences and Veterinary Medicine No. 104 of 07 June 2023, concerning the request for activation of 2 (two) research grants for the academic discipline BIO/13 “APPLIED BIOLOGY”;

WITH REFERENCE TO the resolutions of the Board of Directors and the Academic Senate, relating to their meetings of 18 July 2023, with which the activation of the aforementioned selection procedure was approved;

ASCERTAINED the financial availability for the conferral of the above-mentioned 1 (one) one-year research grants, equal to € 24.000,00, including all the charges for which the Entity is responsible, which shall be borne by the cost centre/project, as follows: € 18.000,00 by the cost centre BVI002002

– FAR PNR DM 737/2021 – tRNAcarching; € 6.000,00 by the cost centre BVI422003 project Nanovax The Marche Region, held by Prof. Cristina Marchini;

DECREES

Art. 1

Subject

The selection procedure, based on qualifications and an interview, for conferral of **1 (one) ONE-YEAR RESEARCH GRANT** for the carrying out of research activities at the School and for the research project indicated below, is now open:

SCHOOL OF BIOSCIENCES AND VETERINARY MEDICINE

Research Area: 05 – “Biological Sciences”

Academic Discipline: BIO/13 “APPLIED BIOLOGY”

Research Project Title: “*tRF3E: role of tumour suppressor in breast cancer and diagnostic methods for its detection.*”

Research Activity to be carried out: The project in question will allow to study the molecular mechanisms underlying the tumour suppressor role of a tRNA fragment, which the Camerino Applied Biology research group has recently identified and called tRF3E. The tRF3E is specifically produced by the healthy mammary gland, but its expression is drastically reduced with the onset of breast cancer, with a consequent decrease in circulating levels of tRF3E as a function of tumour progression. The main objectives of this project are the following: a) correlate serum tRF3E levels with clinical parameters and response to therapies in breast cancer patients; b) develop a diagnostic method for the detection of tRF3E; c) investigate the factors regulating tRF3E biogenesis, understand the causes of its deregulation in breast cancer; d) understand the mechanisms by which tRF3E regulates cell proliferation and apoptosis in stably transfected breast cancer cells; e) evaluate the anti-tumour therapeutic potential of tRF3E delivered by lipid nanoparticles in the Delta16HER2 transgenic mouse (preclinical model of mammary tumour).

Duration of each grant: 12 months (with the possibility of renewal)

Gross annual cost of each grant: € 19,456.00/year. This amount will be charged to the following cost centres:

- BVI002002 – FAR PNR DM 737/2021 – tRNAcarching – € 18.000,00;

- BVI422003 project Nanovax The Marche Region – € 6.000,00;

held by Prof. Cristina Marchini

Head of Research Project: Prof. Cristina Marchini

Admission requirements and qualifications: Masters' Degree (or equivalent) in Biology (Class LM-6)

Preferential qualifications: PhD in Molecular Biology and Cellular Biotechnology

Qualifications valid for evaluation: academic results, awards, participation in congresses, scientific publications (also considering the impact factor and position as first author) which certify the research experience in the field of breast cancer biology and therapies (in vitro and in vivo study of the molecular mechanisms that cause tumour development and progression and its response to therapies).

Excellent knowledge of English language is also required.

Procedure method: Based on qualifications and an interview;

Scores: Qualifications: Max. 40 points; Interview: Max. 60 points.

Art. 2

Requirements for participation in the selection procedure

The following shall be admitted to the selection procedure for the conferral of research grants:

- Candidates in possession of a Masters' degree in the Class indicated in Art. 1 of this Notice of Competition;
- Candidates having a scientific-professional curriculum suitable for carrying out the research activity.

The aforementioned admission requirements must be met on the expiry date of this call for applications, under penalty of exclusion.

Foreign citizens must be in possession of a degree equivalent to those previously mentioned. Equivalence must be certified by competent authorities.

Research grants shall not be awarded to permanent staff members at universities, public research and experimentation agencies and institutions, the Italian National Agency for New Technologies, Energy and Sustainable Development (ENEA), the Italian Aerospace Agency (ASI), as well as at the institutions conferring scientific specialisation degrees recognised as equivalent to a PhD degree pursuant to Art. 74, paragraph 4 of Presidential Decree. No. 382 of 11 July 1980.

Candidates excluded from the active political electorate shall not be admitted to the selection procedure.

Foreign citizens must also meet the following requirements:

- a) enjoying full civil and political rights in the Country of origin or provenance;
- b) meeting all the requirements necessary for the Italian citizens, except for the Italian citizenship,
- c) having adequate knowledge of the Italian language.

Pursuant to Art. 18, paragraph 1, letters b) and c) of the Law No. 240/2010 and Art. 1, paragraph 3 of the Regulations, candidates having a degree of kinship or affinity, up to and including the fourth degree, with a Professor working at the School publishing the proposal for the activation of the contract, or with the Rector, Director-General, or a member of the University's Board of Governors, shall not be admitted to the selection procedure.

Furthermore, candidates who have already been awarded research grants by any institution, pursuant to Law No. 240/2010, for a period exceeding 6 years when summed up with the duration of this grant, shall not be admitted to this selection procedure. If the grant has been awarded during a PhD programme without a scholarship and up to the legal duration of the course, that period is not counted.

Furthermore, candidates who have held contracts as research fellows or fixed-term researchers, pursuant to Articles 22 and 24 of Law No. 240/2010, with the University of Camerino or any other Italian university, government, non-government or online, or with institutions described in Art. 22, paragraph 22 of Law No. 240/2010, for a period exceeding 12 years, when summed up with the duration of this grant, even if not continuous, shall not be admitted to this selection procedure.

Periods spent on maternity leave or sick leave, according to the current legislation, shall not be taken into account for the purposes of the duration of the aforementioned work relationships.

The Administration may order, at any time, with a motivated provision, the exclusion from the selection procedure due to lack of the prescribed requisites.

Art. 3

Application and presentation deadline

The application and the related attachments must be submitted exclusively through the computer application system adopted, available at the link indicated on the webpage on which the Notice of the Selection Procedure was published.

For the online submission of the application, candidates must have an ordinary e-mail address (not certified e-mail), for the purposes of registering with the system. Registration must be done at the time of first access.

Please note that the e-mail address indicated by the candidate during registration will be used by this Administration for all subsequent communications relating to the selection procedure in question.

All information needed for the correct completion and submission of the application is available in the “*Guide to completing the online application*”, published on the application form home page.

The application must be submitted exclusively through the online procedure indicated in the Notice, containing the following wording, which differs according to the position announced:

“Selection procedure for one (1) ONE-YEAR RESEARCH GRANT for the School of Biosciences and Veterinary Medicine - Academic Discipline BIO/13 “APPLIED BIOLOGY” - Head of Research Project: Prof. Cristina Marchini”;

Applications presented in ways other than online will not be considered admissible and therefore will be excluded.

Applications for participation must be sent electronically, under penalty of exclusion, by 01:00 p.m. (Italian time) on the thirtieth day following that of publication of this Notice on the Unicam website.

If the deadline of the Notice falls on a Saturday or a public holiday, the deadline will be postponed to the first next working day.

Each candidate can send only one application.

The application and its attachments must be sent in one of the following formats: PDF, JPG, JPEG, PND (maximum size for each attachment 5MB).

Successful application and date of receipt of the application is certified by the computer system by means of a receipt, which will be automatically sent to the e-mail address provided by the candidate during registration.

The computer application system for submitting the application will remain active even on any days when the University is closed.

After the deadline for submitting applications, the system will no longer allow submissions.

Assistance with the online compilation may be requested by sending a specific support request directly from within the platform and will be suspended starting from the twenty-ninth day from publication of the Notice, and until the deadline for the online compilation and submission of the application.

It should also be noted that in the week from 14 August to 19 August 2023, following the University's summer closure, immediate assistance will not be guaranteed in completing the application form electronically.

In the application, candidates must declare, assuming full civil, criminal and administrative responsibility, the following:

- 1) Their last name, first name, and tax code;
- 2) Place and date of birth;

- 3) Residence;
- 4) Contact details chosen for the purposes of this selection (in particular, the domicile if different from the residence, the ordinary e-mail address to which all communications relating to this selection procedure should be sent, and the mobile phone number);
- 5) Italian citizenship and the related enjoyment of civil and political rights;
- 6) Not having been excluded from active political electorate;
- 7) Not having been disqualified from holding public offices or not having been dismissed (fired for disciplinary reasons), or not having been exempted from employment in a public administration due to persistent insufficient performance, or not having been declared forfeited from a state job for having obtained it through the production of false documents or vitiated by non-amendable invalidity;
- 8) Not having any criminal convictions, or any pending criminal proceedings (otherwise, indicate which ones);
- 9) That a permanent psychophysical unsuitability for service in the Public Administrations has not been ascertained;
- 10) The Degree obtained with the date on which the degree was awarded and the University from which it was obtained, pursuant to art. 46 of Presidential Decree no. 445/2000;
- 11) The PhD degree, if any, the date on which the degree was awarded and the University from which the degree was obtained, pursuant to art. 46 of Presidential Decree no. 445/2000;
- 12) To hold no other scholarship, fellowship or research grant, and undertaking to renounce them in case of becoming successful candidates in this selection procedure;
- 13) Having no degree of kinship or affinity, up to and including the fourth degree, with a Professor working at the School publishing the Notice, or with the Rector, Director-General, or a member of the University's Board of Governors; Failure to present this last declaration shall result in the exclusion from the procedure;
- 14) Not having been the holder, or having been the holder of research grants, indicating in the latter case the duration;
- 15) Not having been the holder or having been the holder of a fixed-term Researcher contract, indicating in the latter case the duration;
- 16) That they authorise the University of Camerino to publish their curriculum, without personal data, on the website.

In particular, Citizens of the Member States of the European Union and citizens of non-EU countries must also declare that they enjoy civil and political rights in the Country of their origin or provenance, or the reasons for the non-enjoyment of the same, and that they have adequate knowledge of the Italian language;

Candidates with disabilities, pursuant to Law No. 104 of 05 February 1992, in their application must make an explicit request in relation to their disability and regarding the aid necessary for the completion of the interview.

Candidates must attach the following to the application:

- 1) **Curriculum vitae, bearing their signature and the date.** A copy of the curriculum, omitting the personal data (pursuant to Art. 4, paragraph 3 of Legislative Decree No. 33/2013), must also be sent in PDF format to one of the following e-mail address: gloria.gentilucci@unicam.it, in order to have it published on the University website; The curriculum must contain a special declaration in lieu of affidavit, in which it is declared that what is reported in the same is true, pursuant to articles 19 and 47 of Presidential Decree No. 445/2000.
- 2) **All the qualifications considered useful for the purposes of the assessment and the relative list** (publications, degree theses, any doctoral theses, course certificates, various diplomas, etc.), pursuant to articles 19 and 47 of Presidential Decree No. 445/2000. It should be noted that any publications in a foreign language must be produced in the original language; the same must be translated into Italian or French or English or German or Spanish, only if the original is produced in a language other than those already mentioned.
- 3) **Degree(s) obtained abroad, required for admission to this selection:**
 - a) original copy or a copy authenticated by an Italian authority, notarised and accompanied by a certified or sworn translation;
 - b) with attached declaration of value or the transcripts of the exams taken, relative to the degree required for participation;

In order to ensure the broadest possible participation in the procedure, candidates unable to present a degree obtained abroad when submitting the application, as indicated in the previous paragraph, must enclose with the application a photocopy of the degree accompanied by translation in Italian or English, and later, in case of successful candidates, obligatorily present the original degree, or authenticated copy of the same. A foreign qualification can be declared admissible by the Selection Committee, for the sole purpose of admission to this procedure.

4) **A copy of a valid identity document;**

The University Administration reserves the right to verify the veracity and authenticity of the statements produced.

Candidates are admitted to the selection with reserve (conditional admission).

The Administration may order at any time, with its own motivated provision, even after the interview has taken place, the exclusion from the selection itself, due to lack of the prescribed requisites.

The exclusion will be communicated directly, by e-mail, to the interested party.

Art. 4

Selection Committee and selection procedure

Each Selection Committee is appointed by Rector's Decree, and is made up of the Head of Research Project and two other members, as well as a substitute member, Professors or Researchers, belonging to the academic discipline relating to the project or to the related sector.

If the funds for the disbursement of the grant derive in whole or in part from external funding, a member of the Committee may be an expert, indicated by the funding body, with particular documented competence with respect to the subject of the research program. The external member shall also be subject to the rules of the University's Code of Ethics

The Committee shall be made known by publishing the nomination decree on the University website, together with the individual names of the Committee members and their curricula.

The selection procedure shall be based on the evaluation of qualifications and publications and can may be followed by an interview.

When evaluating the qualifications, the Selection Committee shall consider the doctoral degree or equivalent qualification obtained abroad as a preferential qualification.

When evaluating the qualifications, only publications and specific qualifications relevant to the research activity to be carried out and showing the level of scientific and professional qualification achieved by the candidates will be taken into account.

The interview will focus on topics related to the research project chosen by the candidate and will be aimed at ascertaining the aptitude for research and the professional capacity required for the performance of the tasks to which the selection procedure refers. During the interview, the knowledge of the foreign language requested in the Notice of Competition may also be verified.

At the end of each meeting, the Committee shall draw up a specific report.

At the conclusion of each selection procedure, each Selection Committee, based on the evaluation of qualifications and publications and on the basis of the interview, will define the suitability or otherwise of each candidate and will draw up a ranking list of the suitable candidates.

With regard to scientific production, each Committee shall also evaluate the degree of creativity and autonomy shown by the candidate.

In case of renunciation of the successful candidates before the beginning of the activity, or in case of early termination due to unjustified failure to start the research activity, the grants may be conferred to suitable candidates, according to the order of the respective ranking lists.

The Rector, by Rector's Decree, shall ascertain the regularity of the acts of the selection procedure, consisting of the minutes of each meeting of the Committee, and shall approve the ranking list, which shall be immediately effective.

The results of each selection procedure shall be communicated to the winner of the grant, who will be invited to enter into a private-law contract in which the contractual rights and obligations shall be indicated.

This contract does not in any way constitute an employment contract and does not give any right with regard to access to the tenured positions at the University.

No communication shall be sent to any other candidates, who will be able to find out the results of the selection procedure from a Decree approving the procedure acts, published on the University website, “Personnel” - “Selection Procedures” - “Research grant selection procedures” – “Closed procedures, and in the UNICAM online notice board (<https://titulus-unicam.cineca.it/albo/>).

Art. 5 Conferral of the research grant

The grant shall be effective from the first day of the month following the Rector’s Decree approving the selection procedure documents, unless there is a subsequent starting date resulting from the programs of the research structure and from agreements between the parties.

The research activity must be continuous. The methods of carrying out the research are governed by the organisational provisions in force at the School.

The grant is normally paid in deferred monthly instalments.

Accident insurance coverage is guaranteed to grant holders, in accordance with current legislation.

The grant holder may withdraw, subject to thirty days' notice or a shorter term, if justified. In the event of withdrawal within three months of the effective date, the grant made available is attributed until the original deadline to the first candidate placed in a useful position on the ranking list of the corresponding selection.

Art. 6 Renewal

The research grant, subject to a reasoned request from the Head of Research Project, approved by the School Council, can be renewed in compliance with the maximum limit of 36 months: however, the duration of the renewal can never be less than six months.
