

## NOTICE

### **NOTICE OF SELECTION PROCEDURE FOR ADMISSION TO PhD PROGRAMMES (CYCLE 39, Academic Year 2023/2024) ANNEX 2, RESEARCH TOPICS - Rectoral Decree No. 278/2023, Reg.No. 0060280 of 10/08/2023.**

With reference to the above-mentioned Selection Procedure, without prejudice to all the other provisions of the aforementioned decree. the following clarifications relating to the **potential positions available in the framework of International mobility agreements with People's Republic of China** are established:

- Regarding the positions available in the framework of international mobility agreements with the People's Republic of China, we inform all chinese candidates qualified for the second phase that, regardless of the numbering, you must select from 1 to 3 position codes related to your Chinese University and indicate, in the dedicated TOPIC NOTES field, the research fields you are interested in listed in the call in order of preference.

We clarify that numeric position codes (A1-A6 and B1-B5) have been provided due to the maximum number of spots available for each of these international agreements.

If you have any doubts, you can contact us via email at [postlaurea@unicam.it](mailto:postlaurea@unicam.it) before confirming your participation application.
