

HEALTH AND SAFETY TRAINING FOR STUDENTS

In compliance with Legislative Decree 81/08 and the State-Region Agreement of 21/12/2011 and subsequent amendments, UNICAM is required to provide training to all workers about safety in the workplace.

According to current legislation, for health and safety purposes students have worker-equivalent status and as such require training on health and safety in the workplace.

The methods for the training courses were defined by the State-Regions Agreement of 21/12/2011, as amended.

Worker mandatory training on health and safety in the workplace includes two modules: "General Training" and "Specific Training".

MEDIUM RISK	
GENERAL TRAINING	Duration: <i>4 hours</i> Mode: <i>e-learning</i> Validity: <i>permanent</i> Other information: <u><i>the course is preparatory to "Specific Training"</i></u>
SPECIFIC TRAINING	Duration: <i>8 hours</i> Mode: <i>e-learning</i> Validity: <i>5 years</i>

E-LEARNING PLATFORM:

Connect to the link: <https://education.uniurb.it/moodle/course/index.php?categoryid=429>

Authenticate using only own university credentials, the same that are used for all university network services.

FINAL TEST AND CERTIFICATE:

A Final Test is scheduled upon completion of all activities. Upon passing the test, a certificate of participation in the course will be available and must be downloaded.

The student is responsible for maintaining the course attendance certificate.

RECOGNITION OF PREVIOUS TRAINING:

If the "General Training" course was provided by **another italian organization**, it is possible to send a copy of the certificate to formazione.sicurezza@unicam.it to obtain an opinion of the equivalence of the course.
