EUROPEAN RESEARCHERS' NIGHT

Soil health and Nutrient Circularity: Hints from the AlgaeBrew Project

English-language lecture for Unicam students focused on soil health and nutrient circularity with references to the AlgaeBrew project.

The meeting will be held at the Biology Center.

Organized by the research group led by
Professor **Antonietta La Terza** from the School of Biosciences and Veterinary Medicine,
with Ph.D. students **Martina Coletta**, **Marco Monticelli**, and **Natasha Waris**.
